

Privacy - Russell Thompson
Frank McKinnon supposed to secure
the stalls for voting. Labor Board
suggests very strongly voting in secret.
No assisting in helping ~~the~~ people to
mark their ballot or cast their vote.
There will be at least four (4) representatives
from International. Challengers -
are not allowed to leave the room
but once. If they should leave
they may not return that day.
The keys remain with the Financial
Secretary at all times. Sealing wax
(a note to the Financial Sec. on securing
a soldering iron for the sealing wax)
The Executive Bd. ratified the date
1-11-12.

Walter
Waller
Labor Bd. request to be notified of the meeting -
(226-6200) Mrs. Meydon
8-430 pm

Russell Thompson after the time and
date requested for the next meeting
is scheduled - The chairman is to
notify Bill Beckom, from International.
Shift changes -

Candidates may not receive any
information concerning the count or how
many people have voted. Challengers
are not to have pencils and paper or
interfere in anyway.

We asked for Tues. 12-14-71 and was refused by Pres. Frank McKinnon because of last time expense involved. Frank McKinnon stated that unless the Chairman could explain in details exactly what we needed this time for. What we plan on doing with this time. Color of the ballots?

Call L.C.
cut'em..

M.A.

call first
WA 4-0622 -
Name tags - Mrs
F. sometime today.
Have be cut
with paper cutter

W, -

"Not available" - "this afternoon"
Not available Monday
"Nothing would be gained."

"I Take responsibility, credit or
blame for early date"
early following Holidays.

- 1) if things don't go right, we
can still file a civil
action
- 2) get ahead of time to
protect rights of complant.

- 3) give us time to take action under the stable
- 4) Time would run out on us & we'd have to go thru the whole exhaustion process again.
- 5) Never Consider campaign is a problem because everyone knows who Sims is - you've had 2 elections -

Would suggest Sims look
for an alternate
observer." - will do everything
we can to resolve the
problem.
