Dear Folks,

Our records indicate that on the following date(s) we sent you literature for which you have not paid. Please send us the full amount you owe as soon as possible.

We are owed thousands of dollars by people who use our literature.

We have almost nothing left in our bank account as of this date.

If you do not pay what you owe our prices will have to go up or our 50% discount to movement groups doing organizing will have to be discontinued.

Thank you,
