MCLL PAMPHLET REQUESTS
THE POLITICAL LINE OF THE
MCLL 1974

The Political Line of the Motor City Labor League (M-L)

A position developed by a Marxist-Leninist organization grounded in the history of struggle in Detroit; and the development of that struggle within the context of proletarian internationalism and the necessity for a multinational anti-revisionist communist party for the United States of North America.

a pamphlet available from:

The Motor City Labor League
