Dear Mr. Glotta,

We have received your order for 5 copies of the Western Worker. I am enclosing a letter we sent to our readers in March, giving details on subscription prices. We will continue to send the paper and look forward to your contribution to cover printing and costs.

Thank you for your support of the Western Worker.

Sincerely,

Marilyn,

Dear Western Worker Reader,

We are sending you this letter to ask for your continued support of the Western Worker. In these days of growing attacks on our democratic rights and on our standard of living and the increasing danger of a fascist military dictatorship, the working class needs its own independent press.

Many of our readers have been receiving complimentary copies of the Western Worker. In order for us to continue our publication, we have to rely solely on the financial support of our readers. We are asking for a minimum donation of \$3.60 a year for a subscription (includes mailing costs). If you have not already contributed, please send in your donation - either cash or check or money order made out to "cash" or "~~Western Worker~~".

Our new Party also publishes a national newspaper, the People's Tribune. If you would like to receive a complimentary copy or subscribe (also \$3.60 donation), please let us know. We encourage all of our readers to send in their comments, criticisms and suggestions so that we can accurately reflect the needs and demands of our class and its allies.
